

# WHAT DOES BLUEPRINT LEADERSHIP'S TRIMETRIX HD ASSESSMENT PROVIDE?

## BEHAVIORS

Behavioral research suggests that the most effective people are those who understand themselves, both their strengths and weaknesses, so they can develop strategies to meet the demands of their environment. This report measures the four dimensions of normal behavior: dominance, influence, steadiness and compliance.

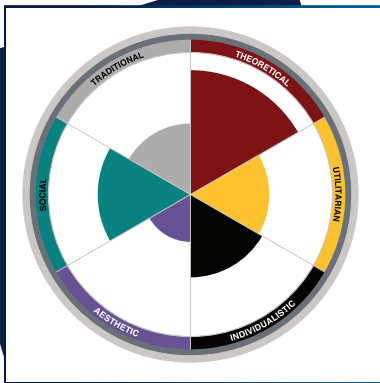

TriMetrix HD tells you *how* this individual will perform.

## MOTIVATORS

Knowledge of an individual's motivators help to tell us why they do things. The Personal Motivation & Engagement report measures the relative prominence of six basic motivators (a way of valuing life): Theoretical, Utilitarian, Aesthetic, Social, Individualistic and Traditional.

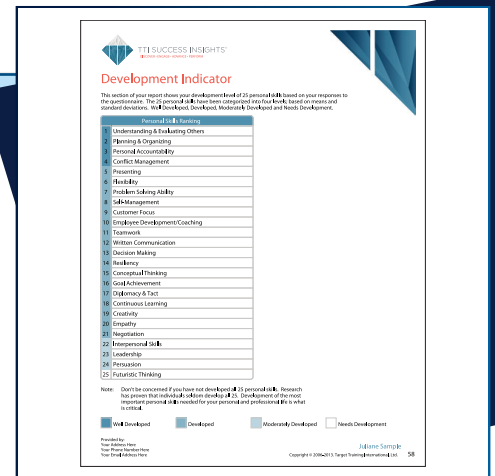

TriMetrix HD illuminates what motivates this individual's behavior.

## COMPETENCIES

An individual's hierarchy of competencies is key to their success, and knowing what they are is essential to reaching one's goals. This report helps identify important competency strengths. For many jobs, competencies areas important as technical skills in producing superior performance.

TriMetrix HD describes *what* this individual's strengths are in 25 research based competencies related to the business environment.

## ACUMEN

The Acumen Indicators section is designed to help individuals truly understand their thinking approach. A person's acumen, keenness and depth of perception or discernment, directly correlates to their level of performance.

TriMetrix HD explores both how a person's judgment impacts interaction with the external world and his or her own perception of self.
