Blueprint **LEADERSHIP**
Building Organizations that Change the World

July 2016

Greetings!

This month's Blueprint for LEADERSHIP focuses on the skill of flexibility! Great leaders willingly adapt to change and guide others through the process. Check out our feature article, video and book of the month below to learn more about this important leadership skill.

Thank you for your continued engagement with us in building Blueprint Leaders. We welcome your comments and love hearing from our readers.

BOOK OF THE MONTH

[Leading Change](#)

John Kotter's eight-step process for managing change with positive results has become the foundation for leaders and organizations across the globe. By outlining the process every organization must go through to achieve its goals, and by identifying where and how even top performers derail during the change process, Kotter provides a practical resource for leaders and managers charged with making change initiatives work.

Needed more today than at any time in the past, this book serves as both visionary guide and practical toolkit on how to approach the difficult yet crucial work of leading change in any type of organization.
