**Blueprint LEADERSHIP**  
Building Organizations that Change the World

July 2016

Greetings!

This month's Blueprint for LEADERSHIP focuses on servant leadership. Great leaders seek to invest in people from the inside out by establishing a service led culture. Check out our feature article, supplemental piece and book of the month below to learn more about this important leadership skill.

Thank you for your continued engagement with us in building Blueprint Leaders. We welcome your comments and love hearing from our readers.

BOOK OF THE MONTH

[The Inner Compass](#)

*Many leaders lead by what they do.  
The best leaders also lead by who they are.*

The true power of leadership starts with the character of the leader.

Even people of character make mistakes, but having character means they can always get pointed in the right direction again. Leaders of character inspire those around them to contribute their best, which brings greater results, happier workplaces, and increased possibilities for the future.
